RE: House Bill 2511

Good morning chairman and members of the committee,

The Division of Vehicles has a neutral position on House Bill 2511. The bill is in accordance with Federal Law 49 CFR 383.73 in regards to Commercial Driver License issuance. The Division of Vehicles does not have any concerns with moving the renewal date from 4 years to 5 years on a Commercial Driver License.

Thank you for your time to speak with you today.

I stand for questions

Sincerely,

Kent Selk
