Senator Rick Billinger
Rick.Billinger@senate.ks.gov

Dear Senator Billinger:

Please consider this letter my endorsement of Senate Bill 240 for the Smoky Garden Renovation Project out here in Western Kansas. We desperately need an outdoor recreation area. Smoky Garden has fallen into severe decline, in fact the water has disappeared, and we now have a chance to revive it.

Please consider this letter my full support of Senate Bill 240.

Very truly yours,

J. Ronald Vignery
of VIGNERY & DEES L.L.C.
