The Honorable Tom Sloan, Chairperson
House Committee on Water and Environment
Statehouse, Room 521-E
Topeka, Kansas 66612

Dear Representative Sloan:

SUBJECT: Fiscal Note for HB 2079 by House Committee on Water and Environment

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2079 is respectfully submitted to your committee.

Current law allows permanent registration of city, county, township, school district, community college, and technical college vehicles. HB 2079 would add water district vehicles to the list of those that can be permanently registered.

According to the Kansas Department of Revenue, passage of HB 2079 would cause additional administrative expenses for the agency of \$3,675 from the State General Fund. The agency indicates that new decals would be required to identify water district vehicles. There are 250 decals per roll at a cost of \$.14 per decal, and a roll would be provided to each county (250 decals X \$.14 per decal = \$35 X 105 counties = \$3,675). Any fiscal effect associated with HB 2079 is not reflected in *The FY 2018 Governor's Budget Report*.

Sincerely,

Director of the Budget
