The Honorable Bill Sutton, Chairperson
House Committee on General Government Budget
Statehouse, Room 274-W
Topeka, Kansas 66612

Dear Representative Sutton:

SUBJECT: Fiscal Note for HB 2129 by House Committee on General Government Budget

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2129 is respectfully submitted to your committee.

HB 2129 would allow the Secretary of Administration to waive an energy audit during the approval process for leasing non-state owned property. The audit could be waived if the Secretary determines that the audit is not economically feasible and the rationale for waiving the audit is provided to the Joint Committee on State Building Construction.

The Department of Administration states that the bill would have no fiscal effect on agency operations.

Sincerely,

Shawn Sullivan,
Director of the Budget
