

2018 Kansas Statutes

17-7680. Restated articles of organization. (a) A limited liability company may, whenever desired, integrate into a single instrument all of the provisions of its articles of organization which are then in effect and operative as a result of there having previously been filed with the secretary of state one or more certificates or other instruments pursuant to K.S.A. 17-7673 through 17-7683, and amendments thereto, and the business entity standard treatment act, K.S.A. 2018 Supp. 17-7901 et seq., and amendments thereto, and it may at the same time also further amend its articles of organization by adopting restated articles of organization.

(b) If restated articles of organization merely restate and integrate but do not further amend the initial articles of organization, as previously amended or supplemented by any certificate or instrument that was executed and filed pursuant to K.S.A. 17-7673 through 17-7683, and amendments thereto, and the business entity standard treatment act, K.S.A. 2018 Supp. 17-7901 et seq., and amendments thereto, they shall be specifically designated in their heading as "restated articles of organization" together with such other words as the limited liability company may deem appropriate and shall be executed by an authorized person and filed with the secretary of state as provided in K.S.A. 2018 Supp. 17-7910, and amendments thereto. If restated articles of organization restate and integrate and also further amend in any respect the articles of organization, as previously amended or supplemented, they shall be specifically designated in their heading as "amended and restated articles of organization" together with such other words as the limited liability company may deem appropriate and shall be executed by at least one authorized person and filed as provided in K.S.A. 2018 Supp. 17-7910, and amendments thereto.

(c) Restated articles of organization shall state, either in their heading or in an introductory paragraph, the limited liability company's present name; if it has been changed, the name under which it was originally filed; the date of filing of its original articles of organization with the secretary of state; and the future effective date, which shall be a date certain, of the restated articles of organization if they are not to be effective upon the filing of the restated articles of organization with the secretary of state, such future effective date must be within 90 days of the date of filing such restated articles of organization with the secretary of state. Restated articles of organization shall also state that they were duly executed and are being filed in accordance with this section. If restated articles of organization only restate and integrate and do not further amend a limited liability company's articles of organization as previously amended or supplemented and there is no discrepancy between those provisions and the restated articles of organization, they shall state that fact as well.

(d) Upon the filing of restated articles of organization with the secretary of state, or upon the future effective date of restated articles of organization as provided for therein, the initial articles of organization, as previously amended or supplemented, shall be superseded. Thereafter the restated articles of organization, including any further amendment or changes made thereby, shall be the articles of organization of the limited liability company, but the original effective date of formation shall remain unchanged.

(e) Any amendment or change effected in connection with the restatement and integration of the articles of organization shall be subject to any other provision of this act, not inconsistent with this section, which would apply if a separate certificate of amendment were filed to effect such amendment or change.
