

## 2018 Kansas Statutes

**19-2883. Same; establishment; resolution, name.** The board of county commissioners of any county which has been designated as an urban area by the legislature, may, upon determination, by resolution, that the establishment of a park district will promote the interests of the county, create a park district which shall include all of the area comprising such county. The park district thus created shall be known by the name of "the \_\_\_\_\_ county park district."

**History:** L. 1963, ch. 193, § 2; June 30.
