

2018 Kansas Statutes

31-504. Display fireworks storage facility permit, fee. (a) The owner of any display fireworks storage facility shall obtain a storage site permit from the state fire marshal for permanent or temporary storage. Storage permits are not required for day boxes used at a display site.

(b) A storage site permit shall be valid for a period of four years. No fee for a storage site permit shall be charged.

History: L. 2007, ch. 83, § 4; L. 2016, ch. 34, § 3; July 1.
