

2018 Kansas Statutes

40-1021. Guarantee fund. Any insurance company organized under this article having done business not less than two years and having at least one million dollars at risk, and having assets other than deposit notes amounting to not less than twenty-five thousand dollars may, for the better protection of its policyholders, create a guarantee fund, with the privilege of increasing it from time to time.

History: L. 1927, ch. 231, 40-1021; June 1.
