

## 2018 Kansas Statutes

**48-955. Guidelines and procedures.** The division shall develop comprehensive guidelines and procedures for implementation of the Kansas mutual aid system, including, but not limited to, the following: Projected or anticipated costs, checklists for requesting and providing assistance, record keeping for all participating political subdivisions, reimbursement procedures, use of a common glossary of terms and definitions of resources and other necessary implementation elements, along with the necessary forms for requests and other records documenting deployment and return of assets.

**History:** L. 2006, ch. 106, § 8; July 1.
