50-6,112b. Same; persons and business entities prohibited from registration; criminal history records check, fingerprints. (a) After examining the information contained in a filing for a scrap metal dealer registration and determining the registration meets the statutory requirements for such registration, the attorney general shall accept such filing and the scrap metal dealer shall be deemed to be properly registered.

(b) No scrap metal registration shall be accepted for:

(1) A person who is not a citizen or legal permanent resident of the United States.

(2) A person who is under 18 years of age and whose parents or legal guardians have been convicted of a felony or other crime which would disqualify a person from registration under this section and such crime was committed during the time that such parents or legal guardians held a registration under the scrap metal theft reduction act.

(5) A person who makes a materially false statement on the registration application or has made a materially false statement on a registration or similar filing within the last 10 years.

(6) A partnership or limited liability company, unless all partners or members of the partnership or limited liability company are otherwise qualified to file a registration.

(7) A corporation, if any manager, officer or director thereof, or any stockholder owning in the aggregate more than 25% of the stock of such corporation, would be ineligible to receive a license hereunder for any reason.

(8) A person whose place of business is conducted by a manager or agent unless the manager or agent possesses all of the qualifications for registration.

(c) Any person filing a scrap metal dealer registration may be subject to a criminal history records check and may be given a written notice that a criminal history records check is required. The attorney general may require such applicant to be fingerprinted and submit to a state and national criminal history record check. If required, such fingerprints shall be used to identify the applicant and to determine whether the applicant has a record of criminal history in this state or another jurisdiction. The attorney general shall submit any fingerprints provided to the Kansas bureau of investigation and the federal bureau of investigation for a state and national criminal history record check. Local and state law enforcement officers and agencies shall assist the attorney general in the taking and processing of fingerprints of applicants. The attorney general may use the information obtained from fingerprinting and the criminal history for purposes of verifying the identification of the applicant and in the official determination of whether the scrap metal dealer registration shall be accepted. If the criminal history record information is used to disqualify an applicant, the applicant shall be informed in writing of that decision.

(d) The amendments made to subsections (b)(10) and (c) by section 16 of chapter 96 of the 2015 Session Laws of Kansas shall be unenforceable and shall not apply from June 1, 2017, to January 1, 2020.
