(a) An authorizing agent signing a cremation authorization form shall be deemed to warrant the truthfulness of any facts set forth in such cremation authorization form, including the identity of the deceased whose remains are sought to be cremated and such authorization agent's authority to order such cremation. Any person signing a cremation authorization form as an authorizing agent shall be personally and individually liable for all damage occasioned thereby and resulting therefrom. (c) A funeral director, assistant funeral director, crematory operator or crematory operator in charge who refuses to arrange a cremation, to accept a dead human body or to perform a cremation shall not be liable for refusing to arrange, to accept the dead human body or to perform the cremation until they receive a court order or other suitable confirmation that the cause of the refusal has been settled.
