

2018 Kansas Statutes

73-2601. Kansas 9/11 memorial. The memorial constructed by the citizens of Anthony to commemorate the tragedy suffered by this nation on September 11, 2001, and which incorporates in its construction three steel beams from the remains of the world trade center, a block of limestone from the face of the damaged pentagon building and soil from the Pennsylvania crash site of flight 93, is hereby designated as the "Kansas 9/11 memorial."

History: L. 2006, ch. 48, § 1; July 1.
