

2018 Kansas Statutes

74-3211. Same; rules and policies, adoption and enforcement. The governing authority of an institution may adopt and enforce through authorized institution agents rules and policies governing the parking of vehicles upon the roads, streets, driveways and parking facilities of the institution and also rules and policies prescribing speed limits on the roads, streets, driveways and grounds of the institution. The rules and policies prescribing speed limits shall be publicly posted at or on roads, streets, driveways, grounds or parking facilities to which the same are applicable and in the manner prescribed by the governing authority of the institution.

History: L. 1957, ch. 484, § 3; L. 1984, ch. 286, § 3; L. 1996, ch. 213, § 3; July 1.
