74-5315. Licensure of doctoral level psychologist registered, certified or licensed in another state. (a) The board may grant a license to any person who, at the time of application, is registered, certified or licensed as a psychologist at the doctoral level in another jurisdiction if the board determines that:

(1) The requirements of such jurisdiction for such certification or licensure are substantially the equivalent of the requirements of this state; or

(2) the applicant demonstrates on forms provided by the board compliance with the following standards as adopted by the board:

(A) Registration, certification or licensure as a psychologist at the doctoral level for at least 60 of the last 66 months immediately preceding the application with at least the minimum professional experience as established by rules and regulations of the board;

(B) the absence of disciplinary actions of a serious nature brought by a registration, certification or licensing board or agency; and

(C) a doctoral degree in psychology from a regionally accredited university or college.

(b) An applicant for a license under this section shall pay an application fee established by the board under K.S.A. 74-5310, and amendments thereto, if required by the board.
