(F) for persons who apply for and are eligible for a temporary license to practice as a licensed master's level psychologist on the day immediately preceding the effective date of this act, in lieu of the education and training requirements under subparagraphs (B), (C) and (D), has completed the education and training requirements for licensure as a master's level psychologist in effect on the day immediately preceding the effective date of this act;

(G) has passed an examination approved by the board with the same minimum passing score as that set by the board for licensed psychologists; and

(H) has paid the application fee, if required by the board.

(2) A person who was licensed or registered as a master's level psychologist in Kansas at any time prior to the effective date of this act, who has been actively engaged in the practice of master's level psychology as a registered or licensed master's level psychologist within five years prior to the effective date of this act and whose last license or registration in Kansas prior to the effective date of this act was not suspended or revoked, upon application to the board, payment of fees and completion of applicable continuing education requirements, shall be licensed as a licensed clinical psychotherapist by providing demonstration of competence to diagnose and treat mental disorders through at least two of the following areas acceptable to the board:

(A) Either: (i) Graduate coursework; or (ii) passing a national, clinical examination;

(B) either: (i) Three years of clinical practice in a community mental health center, its contracted affiliate or a state mental hospital; or (ii) three years of clinical practice in other settings with demonstrated experience in diagnosing or treating mental disorders; or

(C) attestation from one professional licensed to diagnose and treat mental disorders in independent practice or licensed to practice medicine and surgery that the applicant is competent to diagnose and treat mental disorders.

(3) A licensed clinical psychotherapist may engage in the independent practice of master's level psychology and is authorized to diagnose and treat mental disorders specified in the edition of the diagnostic and statistical manual of mental disorders of the American psychiatric association designated by the board by rules and regulations. When a client has symptoms of a mental disorder, a licensed clinical psychotherapist shall consult with the client's primary care physician or psychiatrist to determine if there may be a medical condition or medication that may be causing or contributing to the client's symptoms of a mental disorder. A client may request in writing that such consultation be waived and such request shall be made a part of the client's record. A licensed clinical psychotherapist may continue to evaluate and treat the client until such time that the medical

consultation is obtained or waived.

(d) The board shall adopt rules and regulations establishing the criteria which an educational institution shall satisfy in meeting the requirements established under subsection (b)(3). The board may send a questionnaire developed by the board to any educational institution for which the board does not have sufficient information to determine whether the educational institution meets the requirements of subsection (b)(3) and rules and regulations adopted under this section. The questionnaire providing the necessary information shall be completed and returned to the board in order for the educational institution to be considered for approval. The board may contract with investigative agencies, commissions or consultants to assist the board in obtaining information about educational institutions. In entering such contracts the authority to approve educational institutions shall remain solely with the board.
