

2018 Kansas Statutes

76-425f. Same; rules and regulations; powers; cooperative agreements. Under the general supervision of the board and direct administration of Kansas state university, the service is authorized and empowered:

(a) To prescribe, issue and enforce rules and regulations pursuant to law for administration of this act and of acts amendatory thereof or supplemental thereto; and

(b) to promote and carry out the intent and purposes of this act and of the provisions of all federal acts providing for state cooperation in the production and distribution of seeds and plants for conservation plantings, promotion of the practice of forestry, multiple uses of forest lands, forestation or reforestation, forest management, harvesting, processing or marketing forest products, control of forest pests, insects and diseases, prevention or suppression of forest, brush or grassland fires, watershed management, windbreak establishment and management and urban and community forestry tree planting, management and care; and to enter into cooperative agreements with federal and state agencies and such agency's subdivisions for any or all of such purposes.

History: L. 1965, ch. 479, § 6; L. 1993, ch. 77, § 4; L. 1997, ch. 49, § 4; July 1.
