joseiwert@onemain.com

February 13, 2020

Chairman Highland, Vice Chair Smith and Agriculture committee members.

I write in support of this land trade with the Deweese family farm, Secretary Loveless and KWL&Ps. This is a model of how government agencies and private Kansans citizens can work together to accomplish a goal. Hopefully also this model will be used in the future to help facilitate other Kansans trades like this in cooperation with Wildlife and Parks

Sincerely

A handwritten signature in blue ink that reads "Rep Joe Seiwert". The signature is fluid and cursive, with a long horizontal flourish at the end.

Rep Joe Seiwert

101st district
