Subject: Committee Question regarding KBI Expenses for the Public Offender Registry
Date: Friday, February 14, 2020 5:41:02 PM

Good evening:

While discussing [HB 2475](#) in the Correctional and Juvenile Justice Committee on Feb. 12, Representative Weigel requested information to be shared with the Committee regarding expenditures and FTE positions involved with operating the current [KBI Public Offender Registry](#).

Murl Riedel, our KLRD Fiscal Analyst assigned to corrections and judiciary issues reached out to the KBI. Please see below for the agency's response:

According to the KBI, the agency expenditures for operating the registry for all offense types total \$617,698 in FY 2019. This includes a total of 15.0 FTE positions (12 offender registration staff and 3 IT staff). Drug offenses comprise 25.0 percent of total offense types entered into registry, so expenditures specific to drug offenses total \$273,686 in FY 2019.

The [fiscal note](#) for HB 2475 also indicates the bill would have no fiscal effect on the agency.

Please feel free to contact Murl with any questions. He may be reached at: Murl.Riedel@KLRD.ks.gov.

Sincerely,
Jordan Milholland
