Testimony of the Kansas Association of Counties to the
House Committee on Elections
Proponent Testimony on HB 2512 • February 4, 2020

Mr. Chairman and Members of the Committee:

Thank you for allowing the Kansas Association of Counties to offer testimony regarding HB 2512, which would allow voters in Sedgwick County to cast their ballot at any polling place in the county during the 2020 Election. KAC supports this bill.

Last year, legislation was passed to allow counties to allow voters to cast their ballot at any polling place within the county. Sedgwick County has the capacity to do this now, and would like to offer this convenience to its voters this year. Access to the polls is an important part of democracy, and making it easier for voters to cast their ballots is something that should be supported whenever possible.

KAC fully supports Sedgwick County in its efforts, and would ask the committee to move this legislation forward to enable Sedgwick County voters to vote at any polling place in the county.

Thank you for your attention to this matter, and for your time and consideration.

Respectfully,

Jay Hall
Kansas Association of Counties
