

Proponent Testimony for The *Value Them Both* Constitutional Amendment for Life

Joint Senate Judiciary and House Federal and State Committee

Tuesday, January 21, 2020 Hearing

Dear Chairman Barker, Chairman Wilborn and Members of the Joint Committee

Unlimited abortion hurts women and children. It is not a Kansas Value. I urge you to support the Value Them Both Amendment to the Kansas Constitution. Kansas deserve a right to vote on this issue:

As a mother, I know that every pregnancy involves 2 lives, both of which are precious. No mother can lose a child and not be affected, whether the loss is by choice or miscarriage. The suicide rate for women who have aborted is 6 times the rate of women who carry their child to term. Women deserve better than the abortion "choice".

Please approve the *Value Them Both* Constitutional Amendment. Give us and others in Kansas the right to make decisions on this contentious issue.

Thank you for this opportunity and for all your work for the people of Kansas.

Respectfully,

Karin Capron
