

Members of the House Federal and State Affairs and Senate Judiciary Committees,

I ask you to vote no on the constitutional amendment that denies the right to reproductive freedom in the Kansas Constitution.

Voting yes on this amendment goes against everything Kansas stands for. You would be limiting personal freedoms and choices for women, taking away safe and engaged healthcare for women, and forcing views on women that is not in their interest but in the personal (and often religious) interests of other individuals.

Abortion is a painful, horrible reality. But it's a reality that is there for the health and wellness and lives of women. Please vote no.

Sincerely,

Willie Apala Flaherty
