MEMORANDUM

To: House Standing Committee on Insurance
From: Eileen Ma, Assistant Revisor of Statutes
Date: February 3, 2020
Subject: Bill Brief for HB 2480

Currently, K.S.A. 40-2227 specifies that "long-term care insurance" must provide coverage "for not less than 12 consecutive months." The bill would strike the 12-month requirement and require no minimum duration for coverage to be considered "long term care insurance."

The bill makes certain other technical changes and would become effective upon its publication in the statute book.
