**Testimony in Favor of HB2104**  
**Submitted by Christopher Mann**  
**MADD National Board Chairman and Drunk Driving Victim**

Chairman and Members of the Kansas House Judiciary Committee:

I am Chris Mann, MADD Kansas Volunteer and National Board Chairman. Thank you for the opportunity to submit written testimony in favor to HB2104. On behalf of Mothers Against Drunk Driving, I respectfully request that the committee pass HB2104.

MADD supports the fixes that were diligently worked out by the Kansas Judicial Council DUI Advisory Committee. An unfortunate number of appellate cases in the State have made the DUI laws difficult to understand, let alone prosecute. These fixes will bring about the change needed to support law enforcement and prosecutors and keep impaired drivers off our roadways.

MADD respectfully requests that this committee pass HB2104 with the amendments requested by the Kansas Judicial Council DUI Advisory Committee.
