

Chairman Thompson and members of the House Local Government Committee,

We are against HB 2135, the political sign repeal bill.

We are writing to let you know we am very much against HB 2135 because it's very important to keep our freedom of speech concerning yard signs and elections. We already have enough regulation in our lives and we need to keep our speech rights concerning elections.

It's not that long of a period of time that signs are up and they help remind people that there is an election coming up.

There is already regulation in the present law as to size and placement of signs and it is state wide and workable. If we shift to cities and counties, it's too confusing for everyone.

Leave it the way it is and do not repeal and change what we have.

Thanks, Barb and Dennis Kriegshauser,
