This is in regards to the naming of a local bridge after a HOME TOWN BOY, a HERO of ours from our home town, who gave his life for his (our) Country. He was a classmate of my daughter, and a Super Good Guy. His Family has been a Long- Standing Local Family. He Dedicated his Life to our Country and our Safety. We Strongly Support the naming of a bridge for our Local Hero, Tyler Juden .

Sincerely,

David and Deanna Miley
