To whom it may concern,

I am writing in support (written only as I am unable to attend Friday's meeting) of SB 294. This bill, in my opinion, is a common sense bill that is good for all Kansans. Property taxes are hard enough for most people to understand, so making it easier to see why a change in value is happening is something we should all be in favor of. I appreciate your consideration of this bill.

Thanks,
