Chairwoman Baumgardner and Committee Members:

Good afternoon! My name is Tom Holland and I am the State Senator for the Kansas Senate 3rd District serving portions of Douglas and Leavenworth counties.

I am here today to ask for your support of Senate Bill 336, The Kansas Re-invest in Post-Secondary Education ("RISE!") Act. RISE! is a "last dollar" program that provides a holistic and integrated framework for aligning students and those workers returning to school with high-skilled technical vocations.

Sincerely,
