**SB 323**

**Written Testimony Before the Senate Financial Institutions and Insurance Committee**

**Testimony by Marlee Carpenter, Kansas Association of Property and Casualty Insurance Companies (KAPCIC)**

Mr. Chair and Members of the Committee;

Thank you for the opportunity to provide written testify on behalf of the Kansas Association of Property and Casualty Insurance Companies (KAPCIC), our state trade association for domestic property and casualty insurance companies. Most of the KAPCIC member companies are domiciled Kansas companies and our members live and work here in the state.

KAPCIC members support SB 323. With changes proposed in the bill, under personal lines of both auto and property and casualty insurance it would not be considered a denial of renewal if the insurer makes changes to the policy and the insurer, no later than 30 days prior to the renewal date, and either delivers the new policy to the insured or makes the new policy available electronically. For property and casualty insurance for a business, it would not be considered a denial of renewal if the insurer makes changes to the policy and the insurer, no later than 60 days prior to the renewal date, and either delivers the new policy to the insured or makes the new policy available electronically.

KAPCIC encourages the committee to support the changes in SB 323. Thank you for your time. Please contact me if you have any questions.
