

Opponent Testimony – January 21, 2020

I am writing to express my complete and total opposition to the above attempts to limit abortion rights in Kansas. None of the Kansas legislature was elected to limit our rights or impose their personal beliefs on their constituents. If you are opposed to abortion, then don't have one. Very condescending and presumptuous to assume you understand every pregnant woman's situation. May I suggest you redirect your efforts and energy working to help all the foster children and children available for adoption in Kansas.

Stay out of women's healthcare decisions!
