The Honorable John Barker, Chairperson House Committee on Federal and State Affairs Statehouse, Room 285-N Topeka, Kansas 66612

Dear Representative Barker:

SUBJECT: Fiscal Note for HB 2133 by House Committee on Taxation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2133 is respectfully submitted to your committee.

HB 2133 would require railroad companies, express companies or other common carriers that deliver alcoholic liquors from outside the state to prepare and file a monthly report containing information specified in the bill with the Director of the Alcoholic Beverage Control. These reports would be subject to the Kansas Open Records Act and any additional records supporting the reports must be made available to the Director upon request. Failure to file the report would result in a civil penalty of not more than \$500. The provisions of the bill would be part of and supplemental to the Kansas Liquor Control Act.

Estimated State Fiscal Effect				
	FY 2019	FY 2019	FY 2020	FY 2020
	SGF	All Funds	SGF	All Funds
Revenue				
Expenditure			\$24,000	\$24,000
FTE Pos.				

According to the Kansas Alcoholic Beverage Control Division of the Kansas Department of Revenue, enactment of HB 2133 would result in additional expenditures for information technology services to build a public-facing data entry portal where shipping carriers could report data required under the provisions of the bill. Although the agency indicates that enactment of the

bill could result in increased collection of gallonage taxes, the agency is unable to estimate what that increase might amount to. Any fiscal effect associated with HB 2133 is not reflected in *The FY 2020 Governor's Budget Report*.

Sincerely,

Larry L. Campbell Division of the Budget
