Laura Kelly, Governor

The Honorable Julia Lynn, Chairperson Senate Committee on Commerce Statehouse, Room 445-S Topeka, Kansas 66612

Dear Senator Lynn:

SUBJECT: Fiscal Note for SB 146 by Senator Holland

In accordance with KSA 75-3715a, the following fiscal note concerning SB 146 is respectfully submitted to your committee.

Currently, employers may deduct retirement benefits for employer-sponsored retirement plans from workers compensation benefits paid to an employee. SB 146 would disallow reduction of workers compensation benefits from the social security benefits received by the employee. The bill would allow employer contributions to a retirement plan to be used to reduce workers compensation benefits while employee contributions to a retirement plan would not be used to reduce workers compensation benefits.

The Insurance Department indicates that with the enactment of HB 2016, workers compensation benefits could increase as a result of no longer deducting social security benefits from the payments. The agency states that this happens infrequently, and the fiscal effect would be negligible. The Department of Labor, Kansas Association of Counties and the League of Kansas Municipalities indicate that SB 146 would not have a fiscal effect.

Sincerely,

Larry L. Campbell
Director of the Budget
