Berger testified in support of the bill. The Reno County deputy district attorney and a representative of the League of Kansas Municipalities submitted written-only proponent testimony. The proponents stated the bill would clarify the crime of counterfeiting, which was created by 2018 legislation.

The Senate Committee adopted an amendment to further clarify terms and the required intent and provide consistency.

According to the fiscal note prepared by the Division of the Budget on the bill, as introduced, the Office of Judicial Administration indicates enactment of the bill would have a negligible fiscal effect on Judicial Branch operations. The Kansas Sentencing Commission indicates enactment of the bill could affect prison admissions, but the Commission cannot estimate an effect. Any fiscal effect associated with enactment of the bill is not reflected in *The FY 2020 Governor's Budget Report*.
