

2020 Kansas Statutes

3-307d. Same; jurisdiction over airports and facilities. Whenever public airports are acquired, constructed or operated pursuant to provisions of this act, or this act as amended, said public airports shall thereafter remain under the jurisdiction of the board of county commissioners notwithstanding subsequent annexation of said public airports by a city.

History: L. 1967, ch. 10, § 10; July 1.
