

## 2020 Kansas Statutes

**8-1104. Sale of vehicles and personal property; verification; notice.** Before any such vehicle and personal property is sold, the person intending to sell such vehicle shall request verification from the division of vehicles of the last registered owner and any lienholders, if any. Such verification request shall be submitted to the division of vehicles not more than 30 days after such person took possession of the vehicle. Notice of sale, as provided in this act, shall be mailed by certified mail to any such registered owner and any such lienholders within 10 days after receipt of verification of the last owner and any lienholders, if any. The person intending to sell such vehicle and personal property pursuant to this act shall cause a notice of the time and place of sale, containing a description of the vehicle and personal property, to be published in a newspaper published in the county or city where such sale is advertised to take place, and if there is no newspaper published in such county, then the notice shall be published in some newspaper of general circulation in such county. Notices given under this section shall state that if the amount due, together with storage, publication, notice and sale costs, is not paid within 15 days from the date of mailing, the vehicle and personal property will be sold at public auction.
