

2020 Kansas Statutes

12-5370. 911 fee collection and remittance. (a) Every billed service user shall be liable for the 911 fee until such fees have been paid to the exchange telecommunications service provider, wireless telecommunications service provider, VoIP service provider or other service provider.

(b) All providers shall have the duty to collect the fees imposed pursuant to this act. Such fees shall be added to and may be stated separately in billings for the subscriber account. If stated separately in billings, the fees shall be labeled "911 fees."

(c) The provider shall have no obligation to take any legal action to enforce the collection of the fees imposed by this act. The provider shall provide annually to the LCPA a list of the amount of uncollected 911 fees along with the names and addresses of those service users which carry a balance that can be determined by the provider to be nonpayment of such fees.

(d) The fees imposed by this act shall be collected insofar as practicable at the same time as, and along with, the charges for local exchange, wireless, VoIP, or other service in accordance with regular billing practice of the provider.

(e) The 911 fees and the amounts required to be collected therefor are due monthly. The amount of such fees collected in one month by the provider shall be remitted to the LCPA not more than 15 days after the close of the calendar month. On or before the 15th day of each calendar month following, a return for the preceding month shall be filed with the LCPA. Such return shall be in such form and shall contain such information as required by the LCPA. The provider required to file the return shall deliver the return together with a remittance of the amount of fees payable to the LCPA. The provider shall maintain records of the amount of any such fees collected in accordance with this act for a period of three years from the time the fees are collected.

(f) The provisions of this section shall not be construed to apply to prepaid wireless service.
