

2020 Kansas Statutes

13-13a12. Employment of president and other employees by regents; delegation of authority. The board of regents of a municipal university shall have power to employ a president of the municipal university, who shall be the chief executive officer of the board and of the municipal university; to employ all teachers, administrative assistants, university police officers and other employees necessary for the maintenance of the municipal university and the discharge of its functions; and to fix the salary or compensation of each; to provide all such necessary buildings, books, apparatus, means and appliances as may be needful for the maintenance and furtherance of the university and its various colleges, departments and undertakings; to make all suitable bylaws delegating all matters concerning admission, government, management and control of students, courses of study, discipline and other internal affairs of such university, as the board may see fit.
