

2020 Kansas Statutes

32-945. Controlled shooting areas; license; inspections, when required. (a) Upon receipt of a new application for a license to operate a controlled shooting area, the secretary shall inspect:

- (1) The proposed licensed area described in such application;
 - (2) the premises and facilities where game birds are to be propagated, raised and liberated;
 - (3) the cover for game birds on such area; and
 - (4) the ability of the applicants to operate a controlled shooting area.
- (b) Upon receipt of a renewal application for a license to operate a controlled shooting area, the secretary may inspect as provided in subsection (a).
- (c) If the secretary finds that the area contains not less nor more than the number of acres required by K.S.A. 32-944, and amendments thereto, is contiguous and has the proper requirements and facilities for the operation of a controlled shooting area and that the issuing of the license will otherwise be in the public interest, the secretary may approve the application and issue the controlled shooting area license.
- (d) A controlled shooting area license expires on June 30 of the operational year for which issued.
- (e) The secretary shall limit controlled shooting areas so that the total acreage licensed as controlled shooting areas in a county does not exceed 5% of the total acreage of such county.
