

2020 Kansas Statutes

34-227b. Rules for operation of grain bank grain. Grain bank grain shall be considered as storage grain and shall be subject to the laws and rules and regulations pertaining thereto until such time as such grain is either processed or removed from the warehouse. The secretary is authorized to adopt and enforce reasonable rules and regulations necessary in the conduct of grain bank operations in public warehouses.

History: L. 1967, ch. 239, § 2; L. 1997, ch. 160, § 17; Sept. 1.
