

2020 Kansas Statutes

40-2d18. Mandatory control level event; commissioner's actions. In the event of a mandatory control level event the commissioner shall take actions as are necessary to cause the health organization to be placed under regulatory control under K.S.A. 40-3605 et seq., and amendments thereto. In that event, the mandatory control level event shall be deemed sufficient grounds for the commissioner to take action under K.S.A. 40-3605 et seq., and amendments thereto, and the commissioner shall have the rights, powers and duties with respect to the health organization as are set forth in K.S.A. 40-3605 et seq., and amendments thereto. In the event the commissioner takes actions pursuant to an adjusted RBC report, the health organization shall be entitled to such protections as are afforded to health organizations under the provisions of K.S.A. 77-501 et seq., and amendments thereto, pertaining to summary proceedings. Notwithstanding any of the foregoing, the commissioner may forego action for up to 90 days after the mandatory control level event if there is a reasonable expectation that the mandatory control level event may be eliminated within the 90-day period.
