(5) in lieu of submitting audited financial statements, and upon written application by an applicant and good cause shown, the commissioner may grant a hardship exemption from filing audited financial statements and allow the submission of unaudited financial statements. Acceptable formats for unaudited financial statements, that shall include notes, are:

Administrators of self-funded plans in Kansas are subject to the mandatory surety bond requirement found in subsection (h), regardless of whether they file audited or unaudited financial reports;

(f) A license issued under this section shall remain valid, unless surrendered, suspended or revoked by the commissioner, for so long as the administrator continues in business in this state and remains in compliance with the provisions of this act and any applicable rules and regulations.

(g) An administrator licensed or applying for licensure under the provisions of this section shall immediately notify the commissioner of any material change in its ownership, control or other fact or circumstance affecting its qualification for a license in this state.
