61-3903. Appeals from district magistrate judge not regularly admitted to practice law; notice; assignment. Subject to the rules of the supreme court of this state, once an appeal is perfected, if the judge from whom such appeal is taken is a district magistrate judge who is not regularly admitted to practice law in Kansas, such judge shall notify the chief judge of the judicial district that the appeal has been perfected. The chief judge then shall assign the case to a district judge to hear the appeal.
