

2020 Kansas Statutes

65-6a22. Inspection of carcasses prior to entry into department for processing; inspection of meat and poultry food products returned to slaughtering or processing establishment; limitation of entry of carcasses and products. The provisions of K.S.A. 65-6a21 and amendments thereto shall apply to all carcasses or parts of carcasses of livestock, domestic rabbits and poultry, or the meat or meat products or poultry or poultry products thereof, which are capable of use as human food and which may be brought into any slaughtering, canning, salting, packing or similar establishment where inspection under this act is maintained. The examination and inspection shall be conducted before such carcasses or parts thereof shall be allowed to enter into any department wherein the same are to be treated and prepared for meat food products or poultry food products. The provisions of K.S.A. 65-6a21 and amendments thereto shall also apply to all such products which, after having been issued from any such slaughtering, canning, salting, packing or similar establishment, are returned to the same or to any similar establishment where such inspection is maintained. The secretary may limit the entry of carcasses, parts of carcasses, meat and meat products, poultry and poultry products and other materials into any establishment at which inspection under this act is maintained under such conditions as the secretary may prescribe to assure that allowing the entry of such articles into such inspected establishments will be consistent with the purposes of this act.
