65-3223. Who may make anatomical gift before donor's death. Subject to K.S.A. 65-3227, and amendments thereto, an anatomical gift of a donor's body or part may be made during the life of the donor for the purpose of transplantation, therapy, research or education in the manner provided in K.S.A. 65-3224, and amendments thereto, by:

- (1) The donor, if the donor is an adult or if the donor is a minor and is:
 - (A) Emancipated; or
 - (B) authorized under state law to apply for a driver's license or nondriver identification card because the donor is at least 16 years of age;
- (2) an agent of the donor, unless the power of attorney for health care or other record prohibits the agent from making an anatomical gift;
- (3) a parent of the donor, if the donor is an unemancipated minor; or
- (4) the donor's guardian.
