The secretary shall take appropriate action to enforce this provision against any responsible person. If amounts are recovered for payment for corrective action pursuant to subsection (c)(12), 25% of the amount recovered shall be paid to the city or county that shared in the cost of the corrective action. (e) Expenditures from the solid waste management fund shall be made in accordance with appropriations acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary or a person designated by the secretary.

(f) On or before the 10th of each month, the director of accounts and reports shall transfer from the state general fund to the solid waste management fund interest earnings based on:
