

2020 Kansas Statutes

72-3473. Same; individualized education plan. Instruction in Braille reading and writing shall be sufficient to enable each student to communicate effectively and efficiently at a level commensurate with such student's sighted peers of comparable grade level and intellect. The individualized education plan shall specify:

- (a) How Braille will be implemented as the primary mode for learning through integration with normal classroom activities. If Braille will not be provided to a child who is blind, the reason for not incorporating it in the individualized education plan shall be documented therein;
- (b) the date on which Braille instruction will commence;
- (c) the level of competency in Braille reading and writing to be achieved by the end of the period covered by the individualized education plan; and
- (d) the duration of each session.
