

2020 Kansas Statutes

75-1128. Unlawfully acting as licensed public accountant; penalties. Any person representing to the public that such person is a licensed municipal public accountant under the laws of this state, or any person, except an assistant to a licensed municipal public accountant or an assistant to a certified public accountant, who accepts any fee or other compensation from any municipality for services as a public auditor or public accountant and who has not received such license or whose license has expired or has been revoked is guilty of a misdemeanor, and upon conviction shall be subject to a fine of not less than \$100 nor more than \$1,000 for each offense. Any person convicted under this section shall be ineligible to obtain renewal of a license as a licensed municipal public accountant.

History: L. 1935, ch. 275, § 18; L. 1982, ch. 349, § 5; July 1.
