

2020 Kansas Statutes

75-5248. Social counselor, psychologist or psychiatrist for certain correctional institutions. Any correctional institution that averages more than fifty (50) inmates daily shall provide a minimum of one social counselor for every one hundred (100) inmates incarcerated. Any institution that has over five hundred (500) inmates shall have a minimum of one trained psychiatrist or psychologist for every five hundred (500) inmates.

History: L. 1973, ch. 339, § 38; July 1, 1974.
