

2020 Kansas Statutes

75-5278. Same; director of accounts and reports bound by voucher or warrant; intentional violation; penalty. No voucher, certificate or warrant issued on the director of accounts and reports by any state agency shall be questioned by him or her or by the state treasurer on the grounds that this act has not been complied with by such state agency, but if intentional violation of this act by any state agency continues such shall constitute a malfeasance in office and shall subject the person responsible for such violation to suspension or removal from office.

History: L. 1973, ch. 339, § 81; July 1, 1974.
