

2020 Kansas Statutes

75-52,149. High-risk sex offenders; graduated risk assessment. (a) The department of corrections shall be required to identify, assess and monitor high-risk sex offenders in the custody of the secretary of corrections.

(b) The department is directed to develop a graduated risk assessment that identifies, assesses and closely monitors a high-risk sex offender who is placed on postrelease supervision.

History: L. 2006, ch. 212, § 5; July 1.
