

2020 Kansas Statutes

79-2934. Funds appropriated by budget; balances; duties of clerks and officers; distribution of tax proceeds. The budget as approved and filed with the county clerk for each year shall constitute and shall hereafter be declared to be an appropriation for each fund, and the appropriation thus made shall not be used for any other purpose. No money in any fund shall be used to pay for any indebtedness created in excess of the total amount of the adopted budget of expenditures for such fund. Any balance remaining in such fund at the end of the current budget year shall be carried forward to the credit of the fund for the ensuing budget year. The clerk or secretary of each taxing subdivision or municipality shall open and keep an account of each fund, showing the total amount appropriated for each fund, and shall charge such appropriation with the amount of any indebtedness created at the time such indebtedness is incurred. If any indebtedness is reimbursed during the current budget year and the reimbursement is in excess of the amount which was shown as reimbursed expense in the budget of revenues for the current budget year, the charge made shall be reduced by the amount of the reimbursement.

No part of any fund shall be diverted to any other fund, whether before or after the distribution of taxes by the county treasurer, except as provided by law. The county treasurer shall distribute the proceeds of the taxes levied by each taxing subdivision in the manner provided by K.S.A. 12-1678a, and amendments thereto.
